AGENDA TOPICS

PRESENTERS

VIRTUAL BOAT BUILD

Dennis, Josh, & Ann

Virtual Boat Build | March 23, 2021 | 6:00 to 7:30 PM

Ann will provide a brief welcome, followed by Josh and Dennis facilitating the boat build.

Josh and Dennis will collaborate for their presentations. Dennis constructed and delivered the boat build kits. Dennis will be sending Ann a link for the instructions that include the construction video links. Dennis cautioned that the construction videos are not available when accessing the instructions via the QR code, located on the outside of each kit.

Dennis will send a Zoom link to the meeting and then Ann will share it with the group. Josh will share the information with St. Nicholas School, while Dennis will share the information with his school contacts. The following are schools/organizations participating in the 2021 NCMMA boat builds.

School/Organization	Small Propeller Boat Kit	U ROV Kit	Full Kit
Girl Scouts	25		
Boys & Girls Club – Green Bay	20		
Paper Discovery Center	15		
St. Nicholas School - Freedom	25		
Bay City Christian	4		
Shawano Middle School (MS)	4	1	
Brillion MS	4		
De Pere MS	4		
Pilgrim Lutheran School	4		
Lombardi MS	4		
Edison MS	4	1	
Notre Dame of De Pere	4		
Washington Island		2	4
TOTALS	117	4	4

Dennis and Ann are also working on the April 22 **Take Your Child to Work Day - Virtual Car Build**. This parent/child build is lieu of in-person events. With NEWMA subsidy, the kit costs members \$10 each. **The deadline to register is Friday, March 12.** Ann will be sending Dennis the final count the following week.

DCMM GRAND OPENING OF THE MARITIME CAREERS EXHIBIT

Sam Perlman

The DCMM Exhibits Team has been moving forward and is currently clearing the Horton Gallery. Digital Design Services is working with DCMM staff on various projects. The exhibits are on track to open in early May. A tower christening will be held on May 26 - National Maritime Day and the anniversary of when the DCMM project was first publicly announced. It is hoped that this will be a public event.

The next steps include securing who will be interviewed for the Maritime Careers Exhibit. DCMM received a Merchant Marine uniform that was worn by the first female Merchant Marine captain. The uniform will be part of the exhibit. The NCMMA is donating \$1,000 for the Maritime Careers Exhibit. A separate event that will spotlight the new Maritime Careers Exhibit, in addition to NEWMA's 10-year anniversary, is in the works.
